ALLURE E CREW

Sailing on Allure is more than just a cruise—it's a journey shaped by heart, expertise, and the warmth of its crew. From the very first welcome on board, you'll feel the difference: genuine hospitality, effortless professionalism, and an atmosphere that instantly feels like home on the Adriatic.

Our experienced captain leads you with confidence through crystal-clear bays and timeless Croatian landscapes, always knowing just where to go and when. In the galley, our talented chef crafts every meal with care—combining tradition, local ingredients, and a touch of creativity to turn each dining experience into a highlight of the day. Throughout your journey, the entire crew is by your side—discreet yet present, kind, and always one step ahead of your needs.

Every voyage aboard Allure is unique—but the feeling it leaves stays the same: freedom, connection, and unforgettable memories. Still wondering what it's like? Just take a look at what our guests have shared!

Fernanda's birthday was so special. Thanks for organizing it. She was over the moon and sends you a big hug.

Just like everything

It was the wind that blew up a pool of ripples,

Or is it your pursuit that makes the waves rise and fall?

The first meeting as simple as water was covered by white clouds, reflecting the deep and shallow feelings.

My mind is no longer pure,
As pure as the waters of Adriatic Sea,
There is wind and water in the blue Onyx,
With persistent beauty and dryness,
Pure is not pure,
Simple may not be pure.
