Our only regret is that this all has to come to an end. Pacha is beautiful, comfortable and perfect for a sailing adventure in the Adriatic. We were proud to be sailing such a magnificent vessel. The captain and his son both have contagious smiles and created a warm and inviting experience for our group. Our hostess, Sarah, was attentive and charming. Pacha was incredible but our crew made this an experience of a lifetime. Thank you!

P.S. our cook, Stefan, is a world class chef who is personally responsible for ensuring we all will leave a bit heavier than we arrived!

A fantastic week, on a lovely boat, in a stunning country.  
The first trip to Croatia for us all, and we have fallen in  
love.  
Thank you so much to a wonderful crew who have  
made it so memorable.  
How can it have been so relaxing, yet each day  
seeming to pass in the blink of an eye.

Thank you so much

What a treat!! This week has been one of the highlights of our lives. We have fallen in love with your beautiful country, and we feel so lucky to have had the opportunity to explore it from this wonderful boat.

Captain and crew have been so kind & attentive every second of the way. We have been thoroughly spoilt with the delicious food - whilst the kids have loved all the water sports.

Thank you, thank you, thank you.
