And your wonderful crew!
Whitney is great
But we know it is you
Who sailed us - otok to otok -
In the ocean blue.

In LA, she's the skipper
of a little "MALO" boat
But no way she could keep the
Morning Star afloat!!

But with TOMO and NIKO
and MARIN too
We knew we were safe
all the way through.

Last but not least
ČESTITAM TO IGOR
Whose cuisine was the source
of the Croatian VIBORS

Volimo vas is all we can say,

It will be a special memory for all of us.

Because of you, I knew a lot of Croatia.
The journey you guided us through was nothing short
of magical. Your vast knowledge of the local waters
and Croatian culture made our experience truly unique.
Your attention to detail, from the route planning to the
on-board amenities, was truly impressive.

Moreover, your friendliness and willingness to engage with
us were greatly appreciated. Your stories about local landmarks
and traditions brought the trip to life and made us
feel even more connected to the beautiful scenery of
Croatia.

Thank you to the Morning Star Captain

exploring more of your beautiful country.
Two years ago after an equally incredible
time on the Morning Star, I said I
would return and so I did and this
time Matthew was able to join me and
experience all I had told him about.
Thank you for the wonderful adventures,
amazing swims, incredible food and meals
and most importantly, in the face of
storms, keeping us safe and happy.
We will see you again, no doubt,

We have had a wonderful week on the Morning Star,
despite a couple of days of unpleasant weather we had an
amazing time. The crew were fabulous, our wine glasses
were near empty! The food was delicious and abundant.
Cristina did not disappoint! Kind regards Heber & Steve xx

to Zadar. Even the variable weather didn't put a dampener on our trip. We had a fantastic trip. As soon as we finished our first trip with you 2 years ago, we started planning this one and it didn't disappoint! Maybe we'll see you again in another 2 years!!

Also a return trip.

This second trip was as good, if not better, than our first trip. Thank you very much to Tomas and his fabulous crew. We have had delicious food. We have been spoiled by all the crew. We had variable weather, but Tomas always had a plan - stay in one spot, then dash to a secluded cove. His seamanship is impressive. He never seemed to lose his cool. Marin and Nikola, always cheerful, were on hand for all tasks, including battening down the hatches in a storm. Igor, as well as working in a tiny space, helped keep us passengers calm while the others dealt with the storm. A fabulous trip. Thank you
