M/Y Love Story

White Whines

Bire's Grk is an organic, dry white wine from 100% grk grapes. It has aromas and flavours of chamomile and hay meadow with brioche, spice and banana. Further more, you'll find there some melon, pear and white pepper.

The wine is waxy, saline and juicy with excellent concentration and a persistent finish.

Kozlovic's Malvazija is an iconic example of Istrian Malvasia that grows in the West Istrian region on the flysch, limestone, and clay soil vineyards. This vintage gave us an exceptionally good wine of medium body, dry on the palate with refreshing acidity while still preserving its

essence of Mediterranean terroir. Fruity and floral with some herbal bitters, it is complex and persistent in taste. Its aftertaste is salty and lasting, cleaning the palate and inviting for another sip.

Coronica Gran Malvazija is a wine made only in the best years. For this purpose, Moreno Coronica selects the best grapes. Fermented and aged on lees for 18-20 months in the stainless steel tanks. The wine has only about ± 60 mg of sulphur and is produced in a very natural way from the vineyard to the bottle.

Korak Chardonnay sur lie is Croatian top Chardonnay made in typical south Burgundy style. Elegant, oaked Chardonnay with silky texture and delicate toasted notes.

On the nose, complex with dominant hazelnut & pistachios aromas, followed by fruity notes of melon and figs as well as buttery and smokey notes.

On the palate this Chardonnay sur lie is full bodied, rich and slightly spicy with ripe tropical fruit aromas of pineapples, bananas and melon with the hints of hazelnut, toast and butter. With very balanced acidity and long lasting finish.

Pošip Nerica has a specific taste of nuts, pleasant almond bitterness on the palate.

Characteristic notes of the particular terroir of Čara. Fresh, citrus with plenty flowery notes.

Pošip Nerica is an example of an excellent balance between the freshness and the complexity that Pošip as a variety has to offer.

Red Wines

Babić Birin is a “softer Babić” wine of medium body and without effusive tannin, drinkable in every occasion.

It is a combination of vineyards from the soil and stone. This wine has an intensive fruitiness with a touch of wooden notes due to aging in oak barrels and maturing potential up to ten years. It pairs best with venison dishes and dark meat, fish, prosciutto and spicy cheese.

Dingač Reserve is a perfect example of superior Dingač. Grape comes from limited Dingač position with a selected berries harvest in the ecologically clean zone. The wine is matured in barrique barrels (oak barrel capacity of 225 L). This is typical Plavac Mali with characteristic fruity aroma that reminds on dark berries and ageing in barrique barrels made this wine elegant and soft. Confirmation of its uniqueness and quality are numerous awards in national and international wine competitions.

Cabernet sauvignon is a variety that originated from the spontaneous crossing of cabernet franc and sauvignon. The quality of the wine is significantly influenced by the microclimatic conditions of grapevine cultivation. The characteristics of the Korlat site guarantee individuality and top quality of the wine made from this world-class and recognized variety. Wine connoisseurs consider it the king of red wines, the title which it justifies in many ways. The Korlat cabernet sauvignon is very dark, deep, almost black in color, with distinctive purple reflections.

Babic Testament is a black, dry, ruby colored wine, with a pleasant smell and a specific taste. It is characteristic of high alcohol and high acidity with mature tannins.

The body is full and very powerful, but at the same time lovely and delicious.

The portion of fruit aromas increases when the grapes are well ripened. By aging in oak barrels, the aromas got more exciting and enriched with the pleasant smell of wood

Rose wines

Rose Birin is made from three autochthonous sorts Plavina, Lasin and Babić.

Plavina gives a kind of framework with certain acidity, Lasin gives an aromatic touch and tenderness whereas Babić gives a dosage of seriousness and fullness. It is of light pink color and has rich fruity aromas and floral scents

Galić Rose is produced from Cabernet Sauvignon, Merlot, and Pinot Noir. It is characterized by a gentle and seductive pink colour characteristic of rosé wines. The scent follows the colour tones and exudes a beautiful fruitiness in which the aromas of raspberry and strawberry are intertwined. An outstanding mineral character with crunchy freshness makes this wine an ideal winter aperitif and a real summer refreshment.

The KORTA KATARINA winery name represents the kortas/gardens of Croatia and the family name Katarina/Katharine of KK founders and owners Lee and Penny Anderson.. Mild pink color with an intense aroma of red berries and roses. Painted with a dry refreshing brush of dominant strawberry, raspberry and cherry aromas on the palette. Stylistically very modern interpretation of rose wine from best wine roots. Fruity and floral notes intertwined with an expressive warm scent of the south makes this wine an excellent nutrition partner.
