From the Oswick families and friends-

Our week on the Romanca was beyond all expectations! The weather was perfect, the Adriatic Sea was a beautiful shade of blue and a perfect temp. The food was incredible! But most of all, our wonderful Captain, crew and chef took care of our every need well before we knew we needed anything! My husband Larry and I chartered the Romanca so that our family could be together for our 50th wedding anniversary celebration. What a spectacular evening we had to commemorate our 50th!

Lights, candles, flowers, balloons, champagne and a dinner that could not be topped...scallops, lobster, prawns, anchovies and a flaming dessert. There is only one word for every minute of every day on the Romanca – INCREDIBLE!!

To Romanca,

What an incredible adventure! Thank you to each and everyone of you for being incredible hosts, cooks, captains, dinghy drivers, cocktail makers, cove finders, and all around the best crew around. This is one for the books and a trip to remember.

Cheers,

Erica & Tim
